### *From the Pastor*

Dearest Brothers & Sisters in Christ,

As we celebrate the Feast of Pentecost, it is a joy to be reminded of the power of the Holy Spirit in our lives. This Holy Spirit is given to us to heal us and strengthen us for entering more deeply into our relationship with God and for the task of giving witness to God, especially in the *incarnation, passion, death & resurrection*, and the *ascension* of Jesus Christ, his only-begotten Son.

Over the next two weeks we will celebrate the Feast of the Most Holy Trinity and then the Feast of the Body & Blood of Christ (*Corpus Christi*), which gives us the opportunity to first of all recognize the truth of what we have heard over the last several weeks from our Lord: "*the Father and I are one*", and "*I will send you, from the Father, another Paraclete*"; and then, in the Feast of Corpus Christi, the means by which we continue to be strengthened by our Lord's presence for the task before us.

This week we will begin our **new Mass schedule for weekday Masses**. The changes involve Wednesday and Thursday. For the past eleven years I've had two Masses on each of these days. However, since the suspension of the Traditional Latin Mass there has been no need for this. The reason I am choosing to have evening Mass at St. Mary's fall on Thursday is in recognition of the tradition of having an evening Mass on Thursdays in remembrance of the "Last Supper". In the context of our on-going *Eucharistic Revival* it seemed to be a worthy thing to do. This Mass, which has been known as the "Farmer's Mass" since it was established before my time here, will begin at 7:30 pm to accommodate the milking schedule. It will be preceded by a **Eucharistic Holy Hour**. Those who are able are encouraged to come when they can and spend some time in quiet with our Lord in the Most Blessed Sacrament.

Finally, our annual **Eucharistic Procession** is planned following the 10:00 Mass on Corpus Christi Sunday. We've done this the last several years (except for during the covid shutdown) and it has been well received. More importantly, it is a public witness to our love for Jesus Christ, present to us in the Most Blessed Sacrament. I would urge all to plan on attending. If you don't (or won't) attend the 10:00 Mass, you can gather by the doors of Sacred Heart church about 11:00 am and join in the procession as the Blessed Sacrament comes out the door and leads us down Front Street and then back up Main Street.

Pray Well!

*Fr. Klos*

## On Living the Vocation to Holiness

### Sacramental Life

**Baptism:** Because we believe in the ordinary necessity of Baptism for salvation, it is customary that newborns be baptized as soon as is practical, usually within a month after birth. Parents need to attend baptism preparation with Deacon Sam prior to scheduling a baptism. Please contact the parish office for details or to register.

**Marriage:** Couples should contact the Pastor at the time of formal engagement or at least eight months prior to the desired date of the wedding. In the case of a mixed marriage, the non-Catholic party must arrange to receive instructions about the Catholic faith prior to the celebration of the sacrament.

**Penance:**

Saint Augustine	Thursday after Mass
Sacred Heart	Friday 7:30am
Sacred Heart	Saturday 3:00 p.m.
Saint Mary	Sunday 7:00 a.m.

**Anointing of the Sick:** Those who are seriously sick, have been ill for a long period or are to undergo surgery should receive the Sacrament of Anointing of the Sick and Holy Communion. Please contact the Pastor or the parish office.

**Visitation of the Sick:** If you become hospitalized, institutionalized or homebound because of illness and would like communion brought to your home or just to be visited, please call the parish office.

**Catholic Education:** Sacred Heart School offers Christian formation to children in grades 4K through 8. Call the school, 654-7733, to visit or request an application for enrollment.

**Bulletin Deadline:** Please submit items for publication in the weekly bulletin before 8am Wednesday.

The Feast of Pentecost is the official end of the Easter Season. At the end of this Mass the Easter Candle is extinguished and moved to the Baptistry, lit from here on only for Baptisms and Funerals. Monday morning we begin "Ordinary Time". Of course, there is nothing "ordinary" about time once our Lord has entered into it; and there is certainly nothing remotely ordinary about life lived in the Spirit. Indeed, what was translated (rather badly) in the 1960's into English as "ordinary" is the Latin phrase "*per annum*", meaning "through the year". In Spanish it is "*tiempo ordinario*" which can be translated either as "ordinary time" or "ordinal (counted) time". Given the Latin it seems rather obvious which sense of "ordinario" should be taken.

Why does all of this even matter? Well, it is a matter of how we go about living our life in Christ. What is our touchstone? How do we think about our lives and what we are to do with that gift?

If we are truly Christian, our life revolves around Christ; as the first Christians called it, living according to "the Way". Living this "way" of life begins for us with Pentecost. Thus, with Pentecost as our touchstone for living the "way" of life Christ has marked out for us, we rightly see this time between Pentecost and Advent as always sprouting from Pentecost itself. We are living in that time of Pentecost.

Living in the power of the Spirit, living in that time of Pentecost, is not a matter of "power" as the world sees it. This power which is given to us who are living our lives in the Spirit is given as it was given to our Lord in his earthly life: not for ourselves, but for the works of God Who has given that power to us. Thus, we recognize the "Gifts of the Holy Spirit", not as "presents" given us by God for our own pleasure, but as the "presence" of God given to us as tools to be used for his works among men.

"But, what about MY needs?????" Yes, this can all seem like we are being called to pour ourselves out for others with nothing for ourselves. But, it only seems that way. The Truth is that in pouring ourselves out for others we receive fruits beyond measure.

I wish I could say more, but space doesn't permit. However, we now have until next Advent to explore this. And we will! Stay tuned for next week.

## Preschool and Kindergarten with Mrs. Klinge

Spring brings new babies and oftentimes new pets.... Which animal would you choose as a pet and how would you take care of it?

- Bison-- feed it grass and hay and water, and cut its horns
- Cat-- feed it cat food and fish
- Rabbit-- feed it grain, carrots, lettuce and water, and give it a home with some hay and grass in it
- Wild horse-- train it, give it medicine if it is sick, feed it hay and dandelions and water and grain
- Hamster-- give it a home, a spinny thing and a toy, and feed it food and water
- Butterfly-- give it a big net cage, leaves and twigs
- Tiger or lion-- feed it lots of meat (keep it away from the other pets!)
- Sloth-- feed it bugs and leaves, and give it a really big tree to sleep in

## 1st and 2nd Grade with Mrs. Balk

We have had a great school year! Here are some things we remember fondly and some things we look forward to next year:

The best part of being a first grader was going outside.  
The best part of being a first grader was learning about time.  
The best part of being a first grader was playing with my friends.

The best part of being a second grader was playing with my friends.  
The best part of being a second grader was being the oldest.  
The best part of being a second grader was having hard math.  
The best part of being a second grader was the field trips.

I can't wait to be in second grade because I will have computer class.

I can't wait to be in second grade because we will go to the atrium again.

I can't wait to be in third grade because we will do a lot of art projects.  
I can't wait to be in third grade because I can't wait to see the fish in the third grade room.  
I can't wait to be in third grade because I will look up words in the dictionary.  
I can't wait to be in third grade because I will have harder math.  
I can't wait to be in third grade because I will play with my friends at recess.

## 3rd & 4th Grade with Miss Santas

In third and fourth grade this week, the students are working on drawing their own city using different quadrilaterals and shapes that we learned about in our last chapters of math. The groups have worked hard on finishing up constructing a roller coaster, constantly testing their tracks along the way to make sure it all works smoothly. For writing this week, they wrote about a favorite activity that we have done this school year, the different field trips, our classroom Saint Kateri play, Catholic Schools Week activities, and building their roller coasters were many of the favorites.

## 5th-8th Science and Math with Mr. Cummings

Wow, the end of the year is at hand and the students have worked so hard at all of their subjects.

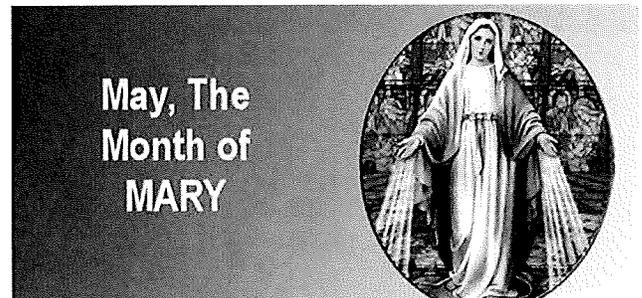

This final week we discovered the coloring chart of artists and made roller coasters in science and went deep into Africa and all of its music contributions and art and the peoples deep faith-life. Have a wonderful summer everyone. Stay close to God!!

## 5th-8th Literature with Mrs. Slattery

Kudos (praise) to our Sacred Heart children who lifted our hearts with their spring program. They carried us with them as they galloped the plains & roped the dogies or sailed the seas & conquered the pirates. Thank you for singing so proudly of our United States.

## Religion with Mrs. Steger

Our final week meant finishing projects! Our last project was rock painting in 5-8. Atrium students worked on favorite materials and finishing projects.

## Pentecost Sunday

**Latin Mass**

The 12:00 noon Latin Mass at St. Mary's will be ending with the Mass for Pentecost, Sunday, May 28, 2023. After the Traditional Latin Mass was suspended on January 1 of this year the Mass was continued in the Ordinary Form, or Novus Ordo, in Latin with Gregorian Chant. After nearly five months, and in consultation with those most involved, it is clear that the desire for such a Mass is not sufficient for the development and support of a community which would add to and enrich the communal and liturgical life of the Tri-Parishes and those families within.

**Wonderful Gift**

Applications for 4-year-old kindergarten at Sacred Heart School are still being accepted, as well as applications from any family who might wish to give their children the wonderful gift of a Catholic education. Simply contact the school and make an appointment to meet with Father Klos and tour our facility.

**Mass Intentions**

With the switching of the Mass schedule, the previously scheduled intentions will also need rearranged. Keep in mind, every weekend must have a "For the People" Mass. Intentions will be moved on a rotation. Please watch the bulletin for when/if your intention has been moved. We apologize for the inconvenience.

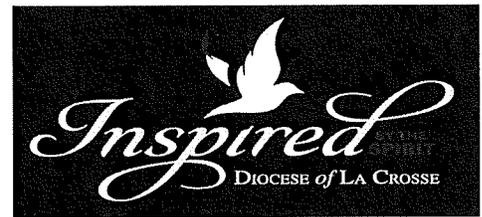

**Eternal Rest Grant Him, O Lord**

Our deepest sympathy is extended to the family and friends of Alred Schmitz. Your prayers are asked for the repose of his soul. May perpetual light shine upon him.

## For Youth and Young Adults

Our final saint reminds us that there is always hope that someone can turn back to God and be forgiven. Maybe we know people in our lives who seem so far away from God that they might never turn back to Him. Or maybe it's something in our own lives that seems unforgivable. Regardless, this story should help you to see there is never a lack of hope when it comes to God.

Bartolo was raised Catholic. He was born in 1841 in Italy. He wanted to study for a law degree and it was at this time that he began to fall away from his faith. He joined a cult and was ordained a satanic priest! It was an old friend who helped Bartolo turn back to God with the help of a Dominican friar, Father Alberto.

Father heard his confession and helped him leave the cult he was so embedded in. He was able to use his law degree to help the poor who needed legal help. He eventually married the Countess di Fusco and together they raised numerous orphans and helped fund many seminarians in their studies.

One thing that Father Alberto had told him was how important the rosary was and how our Lady works for those who faithfully pray the rosary so Bartolo worked to spread devotion to our Lady through this devotion as a way to make up for his past sins. When they lived in Pompeii,

Bartolo started a yearly festival honoring the Rosary which included fireworks, music and games, a regular party! He helped to have a shrine built to Our Lady Queen of the Rosary.

His influence on the spread of the devotion to the Rosary led to Pope John Paul II praising him in his letter on the rosary. Bartolo died at the age of 85, surrounded by many of the orphans he had helped to raise as they prayed the rosary.

How did Bartolo take responsibility for his actions? Was there something specific that he did to make up for his mistakes or take responsibility for his actions? How can we be more like Bartolo?
