The Diocesan Annual Appeal

As you are likely aware, the Diocese of La Crosse (and most other dioceses) promotes an Annual Appeal Campaign. To put it simply, just as the parishes need the generous support of its members to sustain its mission and operations, so also does the Diocese need financial generosity of its members to carry out its role in Jesus' mission. This year's theme is "For we are co-workers; you are God's field, God's building" (1 Corinthians 3:9). It makes sense for Bishop Battersby to approve a theme like this because it is his desire to listen and to work with his priests and his flock (i.e., you).

In a large-scale campaign such as this, it might be hard to see the fruit of one's financial contribution. Yes, you will likely not see thoroughly what your dollars will do within the Diocese, and that is okay. We must be prudent stewards with our resources and gifts given to us by God and to discern carefully before spending those resources, yet, regarding our charitable giving, there is a detachment and entrustment when we give our resources to the stewardship of others. This means not seeing the fruit of our charity.

For example, during my time as a seminarian, I had every aspect of my education paid for through the generosity of benefactors and the support from the Annual Appeal. Because of this generosity, I could devote myself to my studies and formation to become a priest. In this sense, you see a fruit of your generosity, and now, other seminarians, like Thomas Cummings, are able to do the same.

The Diocesan Annual Appeal supports and maintains:

1. Operations and maintenance of diocesan facilities
2. Our local parishes and school through grants and rebate checks
3. Education of seminarians, priests, deacons, and religious
4. Catholic education and formation
5. Charity and missions
6. Parish services and ministries support

The parish goals for this year's Annual Appeal are \$37,000 (SH, \$21,365 for Diocese), \$17,730 (NBVM), and \$10,000 (SA, \$5,375 for Diocese). I ask you to please pray and to ask the Holy Spirit to help you to discern what you and your family can give to this year's Annual Appeal. I thank you in advance for your generosity. Furthermore, the quicker that we meet these goals, the quicker that I will stop reminding you to support the Annual Appeal!

*Gratefully in Christ,
Fr. Matthew*

Sacramental Life

Baptism: Because we believe in the ordinary necessity of Baptism for salvation, it is customary that newborns be baptized as soon as is practical, usually within a month after birth. Parents need to attend baptism preparation with Deacon Sam prior to scheduling a baptism. Please contact the parish office for details or to register.

Marriage: Couples should contact the Pastor at the time of formal engagement or at least eight months prior to the desired date of the wedding. In the case of a mixed marriage, the non-Catholic party must arrange to receive instructions about the Catholic faith prior to the celebration of the sacrament.

Penance:
 Saint Augustine Saturday, 7:00pm
 Sacred Heart Saturday 3:00 p.m.

Visitation of the Sick: If you become hospitalized, institutionalized or homebound because of illness and would like communion brought to your home or just to be visited, please call the parish office.

Catholic Education: Sacred Heart School offers Christian formation to children in grades 4K through 8. Call the school, 654-7733, to visit or request an application for enrollment.

Reading Reflection

Today's First Reading from the First Book of Kings and the Gospel passage from Mark both center on the actions of two seemingly poor and helpless widows who show themselves faith-filled and generous stewards—their stories. However, from a different time, it holds valuable lessons for us in our modern lives.

In the eyes of the world, particularly in biblical times when there was no life insurance or Social Security, these widows were weak and dependent on others to take care of them. They each found themselves in desperate situations — one amid famine with a child for which to care and the other impoverished. Yet, each demonstrated remarkable courage, strength, and generosity that distinguished them from those around them. From where did this strength come?

It came from knowing who they are and to Whom they belong. These women must have known their security would not come from a good life insurance policy or connections to someone with a hidden storehouse of flour.

No, their security came from knowing they were the Most High God's daughters and putting their unwavering faith in Him. They did not need to panic amid natural disasters or cling desperately to their menial resources. Their faith in God set them free to trust Him when all seemed hopeless. Their faith kept them detached from material possessions. Their faith allowed them to be brave and generous and to think of others despite their trials.

These women saw themselves as stewards, not owners, of the resources God gave them, regardless of how much or how little they had. Their example challenges us to reflect on our stewardship. Are we using our resources in a way that honors God? Are we being gracious and generous, regardless of our circumstances? Their story calls us to action to be better stewards of God's gifts.

Thank You for Your Support

I want to thank everyone for your generosity these past few weeks, especially for the cemetery second collection last weekend. Now, with the Annual Appeal upon us with the holidays fast approaching, it may seem like a lot. I am not asking you to be unreasonable but to discern prudently how you may be generous. If it helps, I have a joke. In the Bible, it says that the love of money is the root of all evil; this is why the Church keeps asking you to dump the stuff! In short, please know that your generosity and support is greatly appreciated.

Looking for Advertisement Suggestions

Beginning Sunday, December 1, we will be switching our bulletin publication from in-house to LPI, a company that specializes in church bulletins. You have likely seen their work at other parishes. For this to work well, we need a certain number of advertisements on the back of the bulletin to help them cover the costs associated with printing the bulletin. We are looking for recommendations. If you have any suggestions or would like to advertise your business, please email bulletin@smash3p.org with the company name and a way to contact.

For Youth and Young Adults

St. John the Baptist lived during the time of Jesus. We might remember that St. Elizabeth was his mother and he leapt in her womb when Mary came to visit her (The Visitation). Let's see how St. John shows us the virtue of humility.

Many people knew that St. John was going to be something special. They often said he would be close to God. Even before he was born, we know he recognized Jesus. People would come to John asking for his help to turn back to God and to get closer to Him. However, John knew that there would be One coming who was greater than he was and he told people that. And it was his job as the last prophet, to help get people ready for the Savior.

Remember, from the time Adam and Eve sinned in the Garden of Eden, the people were waiting for a Savior. Abraham, Noah, Moses, and so on were people that God used to prepare His people, but they weren't yet ready.

From Scripture (the Bible) we know that St. John the Baptist baptized Jesus. He was reluctant to do so, because he recognized that Jesus was greater than he was but he relented and baptized Jesus in the Jordan River.

How did John display the virtue of humility? What can we learn about this virtue from John's life? How can we be more like John the Baptist?

St. Patrick, Sparta, Dead Theologians' Society

The next Dead Theologians' Society gathering at 6:00 p.m. at the Rectory at St. Patrick Church in Sparta will be November 10, and December 8 and 22. This is a gathering of high school youth that learn about a saint, enjoy fellowship with each other, and eat a scrumptious meal by the Very Rev. Eric Berns. I highly recommend attending.

Religious Education

Religious Education is on Wednesdays. Grades 1-5 will be having class from 3:30-4:45 p.m. at Sacred Heart School. Grades 6-10 will be having class from 7:00-8:15 p.m. at Sacred Heart School.

Gym Class with Fr. Matthew

In gym class this week, we played live-action foosball in a classroom since it was raining. It worked surprisingly well with nothing broken and no injuries. On Friday, since it is nice, we played a game involving overhand and underhand throwing.

5-8 with Mrs. Flock

This week the 7/8 Science students are learning about Darwin and his study of finches and tortoises on the Galapagos Islands to compose his theory of natural selection. In Math 8 we are working on story problems finding consecutive numbers. Grade 7 is solving equations with more than one operation. Grade 6 is relating ratios to fractions and Grade 5 is multiplying fractions.

1st & 2nd with Mrs. Balk

We read a fun story recently about a boy who thought getting glasses would make him better at EVERYTHING - guess what?? It didn't work! He still needed to practice to get better at throwing the ball and he still needed to pay attention to what he was doing. We talked about things that we could practice to become better at. Some of the things that we would like to work on being better at are: catching the ball, drawing, dunking the basketball, Hoola hoop, throwing the ball, swimming, extracting honey, reading, and cursive writing.

5-8 with Mr. Kuhn

This week we are starting off the quarter in English with wrapping up personal pronouns and moving on to compound pronouns. In Science, 5/6 is wrapping up cells and moving onto genetics. For Social Studies we are starting a unit on the church's history through the Roman empire.

For 7/8 in English we are learning how to use a topic and build a paper around it, and will be writing research papers about different saints. In Social Studies we have been studying the Germanic peoples during the rise and fall of Rome.

4k & 5k with Mrs. Klinge

- We love nature and all of the incredible animals that God has given us! Check out what we learned this week...
- A cheetah cannot retract its claws. Its claws help it run faster.
 - Cougars can't roar.
 - A coyote will play possum to attract food.
 - Tigers are bigger than lions.
 - Koalas are NOT bears!
 - Tigers have sharp hooks on their tongues to scrape bones clean.
 - Tigers are too heavy to be good climbers.
 - The cheetah is the fastest mammal on earth.
 - Cheetahs are taller with longer legs than leopards.
 - Baby giraffes spend most of their lives in the shade.

Art with Mrs. Leis

This week marked the beginning of the second quarter, so we enjoyed playing a couple rounds of art bingo. The students then got creative and began a messy project using yarn and glue on cardboard to create their own landscape or abstract portrait. This project will take a couple weeks to finish but the students appeared to enjoy the project so far.

Religion with Mrs. Steger

7/8 is learning all about this amazing communion of saints that we are part of by virtue of our baptism. How wonderful to have the saints in heaven and souls in purgatory praying for us. And what a gift that we can pray for the souls in purgatory. All the souls in heaven are saints but the Church recognizes some that we call canonized saints. They also learned about patron saints.

5/6 learned about the prophets and how they weren't well received. It's never easy to hear you're wrong and often the prophets had to tell God's people they were wrong. We also talked about how it isn't easy to follow God. The Israelites wanted to be like everyone else. Sometimes don't we want to be like everyone else too? It's not easy to be a follower of God.

3/4 learned how God provided for the Israelites in the desert with manna and quail. But still they grumbled. He made a covenant with them by giving them the Ten Commandments. But they fell into idolatry and made false gods. While we may not melt down gold to make false gods today, we still have false gods among us. It might be money, video games, or fame. And we concluded with the Promised Land and the Ark of the Covenant.

Atrium students learned about genuflection, and the liturgical calendar. While others learned about all the amazing gifts God prepared for us. Such amazing work and how wonderful to learn this in the month of November when we should be giving thanks.

3rd & 4th with Ms. Santas

In third and fourth grade this week, we enjoyed reading to Ellie Mae during our independent reading time at reading rotations!
